The course will be the same as last year we will try to lengthen it from 2.9 to 3.2 depending upon how wet it is. This will be done at the start and finish of the course not in the middle of the race course. There will be a map of the course up loaded to the site soon. Make sure that your runners know not to cross over the blue V-boards blocking access to other trails. Please let your runners know that any whistles blown during the race will cause the disqualification of your team.
